AASLD Strategic Plan

**Mission:** To advance and disseminate the science and practice of hepatology, and to promote liver health and quality patient care

<table>
<thead>
<tr>
<th>Professional Development</th>
<th>• Serve as Thought Leaders and the global hub of knowledge in Liver Disease</th>
</tr>
</thead>
<tbody>
<tr>
<td>Research Innovation</td>
<td>• Serve as central resource in promoting new knowledge in liver health through support of Innovative Research</td>
</tr>
<tr>
<td>Treatment Advances &amp; Awareness</td>
<td>• Educate healthcare providers on best practices to improve health outcomes and increase patient and public awareness</td>
</tr>
<tr>
<td>Organizational Health</td>
<td>• Develop and align the organization’s resources to achieve the mission of AASLD</td>
</tr>
</tbody>
</table>
VISION: TO PREVENT AND CURE LIVER DISEASE

10,000+

3286 ABSTRACTS

RECORD ATTENDANCE
3500+ Post Graduate Course
1500+ Basic Science Symposium

|      | Emerging Trends in Alcoholic Hepatitis  
  (January 22-23 - Miami, FL) |
|      | **Spring**               |
|      | GREAT Workshop: AASLD/FDA Trial Design and Endpoints PSC  
  (March 3-4 – Silver Spring , MD) |
|      | **Summer**              |
|      | Digestive Disease Week  
  (May 21-24 - San Diego, CA)  
MidYear: Clinical Hepatology State of the Art Management  
(June 25-26 – Chicago, IL) |
|      | **Fall**                |
|      | AASLD / EASL HBV Treatment Endpoints Conference  
  (September 8-9 – Washington DC)  
Transplant Hepatology Review Course  
(September 16-17 – Chicago, IL)  
AASLD/EASL Special Conference: New Perspectives in HCV  
(September 23-24 – Paris, France)  
The Liver Meeting  
(November 11-15 - Boston, MA) |
Research Innovation

- Publishing Innovative Research
  - **Hepatology** is most well known journal in the field
  - New Focus for **Liver Transplantation** on clinical aspects of Hepatology
  - New - Open Access Journal
Treatment Advances & Awareness

**Clinical Practice Guidelines**
- HCV Guidance – 1.48 Million Page views
- HBV Treatment Guidelines (GRADE)
  - Includes 3 Systematic Reviews
- HCC Treatment Guidelines (GRADE)

**Global Outreach and Engagement**
- Global Agreements with EASL, APASL, ALEH
- International Travel Awards
- Translations in Chinese and Spanish
- Co-sponsor 9 international meetings in 2015-16
- LIFER Clinical/Translational Research Fellowship
Organizational Health

○ AASLD Membership Growth
  • AASLD Membership has grown by 34% since 2012
  • 82 New AASLD Fellows - 414 Total

○ Ensuring the Future of Hepatology
  • New Mentorship Program with over 50 relationships
  • 32 New Emerging Liver Scholars – 112 total
9,500+ • Members

400+ • Fellows

600+ • Trainees

450+ • Hepatology Associates

Opportunity: Special Interest Groups

- Acute on Chronic Liver Failure
- Alcohol Liver Disease
- Cholestatic and Biliary Diseases
- Clinical Practice
- Hepatitis B
- Hepatitis C
- Hepatobiliary Neoplasia
- Hepatotoxicity
- Liver Cell Biology in Hepatic Diseases
- Liver Fibrosis
- Liver Transplantation and Surgery
- Non-Alcoholic Fatty Liver Disease
- Pediatric Liver Disorders
- Portal Hypertension: Clinical and Experimental
- Public Health / Health Care Delivery
Opportunity: Committees

- Annual Meeting Education
- Basic Research
- Clinical Research
- CME
- Diversity
- Development
- Ethics
- Finance
- Global Outreach and Engagement
- Hepatology Associates
- Journals Publications
- Membership and Mentorship
- MOC

- Nominating
- Practice Guidelines
- Online Education
- Practice Metrics
- Public and Clinical Policy
- Research Awards
- Scientific Program
- Surgery and Liver Transplantation
- Technology and Social Media
- Training and Workforce
AASLD MENTORING

Matches Fellows of AASLD + Trainees & Members (within 2 years of training)

- Research
- Career Development
- Work/life Balance
- Clinical Practice
- and more…
AASLD Emerging Liver Scholars
Residents and Trainees provided opportunity to attend The Liver Meeting®

- AASLD provides grants covering travel, housing, and meeting expenses.
- Mentors serve as a guide during The Liver Meeting and facilitate career development.
- ELS attendees have the opportunity to attend special events specifically suited to their current and future academic needs.

- Over 100 scholars since 2013
- More information at - www.aasld.org
AASLD Foundation

**Mission:** To support liver research and provide education about liver disease and its treatment to those providing care to patients.
The AASLD Foundation:

- Funds liver research
- Supports advanced hepatology training
- Creates broader educational platforms for the non-hepatologist;
- On the horizon: Enhance public awareness and patient education
AASLD Foundation Research & Career Development Awards

• **Multi-Year Research Awards** for early-career investigators in Basic, Clinical, and Translational Research
  - Pinnacle Research Award – $300,000, basic science, 3 year award
  - Clinical and Translational Research Award - $150,000, 2 year award
  - Career Development in Liver Transplantation - $90,000, 2 year award

• **One-Year Career Development Awards** to pursue specialized training in hepatology
  - Advanced/Transplant Hepatology Fellowship: $60,000, 1 year award
  - NP/PA Clinical Hepatology Fellowship: $78,000, 1 year award

• **Abstract Awards** which allow young investigators the opportunity to present their outstanding research at The Liver Meeting®
Program Success

Success of AASLD grant recipients:

- 50% reported receipt of NIH funding during or post award
- 13 R Series, 9 K Series
- Past award recipients received over $4.7 million in NIH funding in FY2015.
Past Recipient Survey Highlights

- 89% of past recipients remain in hepatology
- 77% of respondents who had received a research award reported the preliminary data was used as the basis to secure funding from other sources.

The impact of AASLD funding on recipients’ careers:
- 22% Impact
- 78% Major Impact
- 100% Positive
AASLD Foundation Research & Career Development Awards

Applications Available
July 1, 2016

Application Deadline: December 1, 2016
Recipient Notification: May 2017
Award Start Date: July 1, 2017
