

National Diabetes Education Program
 Diabetes Resources for Older Adults
 Resource Submission Form

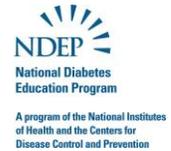

The National Diabetes Education Program (NDEP) seeks to identify tools and programs aimed at helping older adults learn how to manage diabetes or prevent type 2 diabetes. Please complete this submission form to suggest a resource for review. An independent expert on diabetes care for older adults will review the resource to determine whether it meets approved criteria. The NDEP will notify you to confirm receipt of your submission and provide the status of the review.

If you experience difficulties when submitting the form, please save a copy to your computer and email it to ndep@hagersharp.com.
